- Some finishes may carry an up-charge.
- Non-standard finishes and sizes are available, up-charges may apply.
- Standard lead-time is 8 – 14 weeks.
- Finishes are shown for illustrative purposes only. Samples are available from the showroom.

CARE INSTRUCTIONS

Our furniture has been made to age & patina naturally over time. Simple maintenance will help it to age gracefully. Please read our suggestions below to help to insure that your furniture remains beautiful:

CLEANING & MAINTENANCE GENERAL GUIDELINES

A weekly clean with a lightly dampened, non-abrasive cloth is recommended to keep the furniture clean & to remove household dust. We do not recommend the use household polish or spirit-based cleaners as these may cause damage. Keep your cleaning regime simple, if you are unsure contact us for further advice.

NOTES REGARDING HARDWOOD

Whilst every effort is made to source well-seasoned timbers, it is inevitable that some wood movement will occur. All natural timbers, particularly hardwoods contain moisture. When this moisture level drops e.g. during long hot dry spells of weather or when the timber is subject to extremes in relative humidity you may find the timber will move very slightly or crack. This is absolutely normal & in many ways adds to the beauty of the product. To prevent your furniture from drying out over long periods of time the use of a small amount of beeswax is recommended periodically. Amy Somerville LTD can advise you on what products are appropriate.
